Organize
your items
by attaching
self-adhesive
labels to the
inset area on the
outside of the Cable Clamp®

1) **Open** the Cable Clamp® by pressing the middle of your thumb sideways on the front of the trigger and push up...then pull apart the jaws.

2) **Gather** together the item or items you wish to organize and place them between the Cable Clamp® jaws.

3) **Close** the Cable Clamp® around your items and squeeze the jaws together.

Use this reinforced hole to permanently attach your Cable Clamp® to whatever you're organizing!
